## Fireworks Display Submission Requirements

#### Office of the Fire Marshal

742 Bay Road, Queensbury, NY 12804 518-761-8206/8205 www.queensbury.net

The Fire Marshals' office will review all applications for fireworks display with the follow <u>minimum submitted</u> information:

- 1. Name of the body sponsoring the display
- 2. Name, age, experience and physical characteristics of the person(s) who are physically discharging the fireworks (minimum 18 years of age)
- 3. The date and time of the display
- 4. The exact location of the fireworks display
- 5. The number and kind of fireworks
- 6. A diagram of the site where the display will be held showing the point of discharge, location of the all buildings, highways, other lines of transportation, lines behind which the audience will be restrained, location of trees, telephone and other overhead wires or obstructions
- 7. Minimum clearances: 200 feet from buildings, roads or other means of transportation, 50 feet from any overhead obstructions. Audience shall be restrained 150 feet from launch. Additionally, all displays must fire straight up or over a large body of water
- 8. Proof of insurance which shows coverage by a company licensed in the State of New York and that the Town of Queensbury is named as additional insured and that the insurance coverage contains a 'hold harmless' clause which shall protect the Town of Queensbury
- 9. Valid NYS license to deal or manufacture explosives
- 10. All requests for permits must be received a minimum of 5 business days prior to the occasion
- 11. Certificate of Workers' Compensation Insurance Coverage

Upon satisfactory review of all of the above, the Fire Marshals' office will issue a **Special Use Permit** for the requested fireworks display with the following conditions:

- All provisions of the NYS Penal Law Section 405, Chapter 56 of ICC and the Code Supplement and NFPA 1123 must be complied with
- 2. Inspections and approvals of the site must be made by the Town of Queensbury's Fire Marshal and Fire Chief, or his designee, of the jurisdiction where the display is being held
- 3. Clean up of all areas must be completed by 10:00am the follow day. This includes all debris and unexploded shells
- 4. No fireworks display may be held when the wind reaches a velocity of thirty (30) miles per hour or
- 5. At least two (2) #5, minimum ABC rated fire extinguishers will be ready for use at the launch site
- 6. The Fire Marshals' office will notify the Fire Department having jurisdiction of the planned event. Fire Department attendance during the launch will be at the discretion of the Fire Department
- 7. All complaints will be handled by the Fire Marshals' office

PERMITS ARE VALID ONLY FOR THE DATE AUTHORIZED
RAIN DATES WILL REQUIRE A NEW PERMIT
