

Amendment#1

Contract Unit of Measure and Period shall be amended to read as follows.

Prices should be per net ton, dry basis delivered to the water treatment plant, **typical** lead time is at least 96 hours. **The Queensbury Water Department reserves the right to reduce the lead time to 48 hours including the right to place and receive orders on Saturday and/or Sunday.** The bid price shall be firm for a one-year period. The contract shall be extended for a maximum of two additional one-year periods subject to the mutual agreement of the Town and the supplier.
