

## **Jenkinsville Availability Sessions Under Way**

February 12, 2026

The Town of Queensbury is holding “availability sessions” to answer the questions of residents in the Zone 2 section of the Jenkinsville community water project.

The first session was held on Thursday, Feb. 12. The next two sessions are:

- February 16, 2026: Bay Ridge Fire State, 1080 Bay Road, Queensbury, from 2 to 4 p.m. ***(the meeting was originally at the town hall but has since been changed due to the holiday.)***

- February 19, 2026: Queensbury Town Hall, 742 Bay Road, Queensbury, from 2 to 4 p.m.

There are about 80 individual properties in Zone 2. Property owners are not required to connect to municipal water, but if they wish to do so the Town will cover the cost of connecting as long as property owners provide a signed, notarized easement to the Town by March 6, 2026. The Town will not record these easements with the Warren County Clerk’s office until the Jenkinsville and Queensbury water districts are consolidated. If for any reason consolidation does not occur by December 31, 2026, the Town will return the easement to the property owners.

Signed, notarized easements can also be mailed or dropped off at the Queensbury Town Supervisor’s office at 742 Bay Road, Queensbury, N.Y. 12804, between 8 a.m. and 4 p.m. Monday through Friday, except holidays. Property owners must also complete the TP-584 form thjat has been provided to them by the Town.
