***TOWN OF QUEENSBURY RESIDENTIAL
ANNUAL FALL LEAF BAG PICK-UP***

Dear Resident/Landowner

The Town of Queensbury Highway Department is pleased to announce our annual fall yard leaf **RESIDENTIAL** pick-up. We would like to thank all of you for your cooperation during fall pick-up and would like to take this opportunity to thank you in advance for your anticipated cooperation during this event.

As with our previous pick-ups, it is imperative that we adhere 100% to our program. **Please note we no longer go by Wards.** We are starting the Fall pick-up this year on November 2, 2026, and we are ending November 30, 2026, or weather permitting.

As always, **yard Leaves must be put into biodegradable paper bags.** This allows us to dispose of the leaves in a way that is not harmful to the environment. It is imperative that **only yard leaves** are placed in bags. Bags filled with items other than those stated and **weighing more than 50 pounds** will **NOT** be accepted.

If you have any questions or concerns, please feel free to contact the Town of Queensbury Highway Department at 518-761-8211 between the hours of 7:00 am and 3:00 pm, Monday through Friday.

Highway Superintendent
